

## Annex

### Identification number(s) pursuant to Article 22 (3) No. 4 b) German Act on Animal Husbandry Labelling (TierHaltKennzG) not assigned to the animal husbandry facility/facilities

Notice: If you wish to provide information on several animal husbandry establishments, please complete this annex separately for each establishment and attach it to your application.

#### Information required under Article 25 (2) TierHaltKennzG

##### 1. Name and address of the animal husbandry establishment

|  |  |
|--|--|
| Name of the animal husbandry establishment |  |
| Country                                    |  |
| International address field                |  |

##### 2. Name and address of the animal husbandry establishment's owner

|                             |  |
|-----------------------------|--|
| First name / Surname        |  |
| Country                     |  |
| International address field |  |

**3. If available, the unique registration number assigned to the animal husbandry establishment pursuant to Art. 93 of Regulation (EU) 2016/429**

---

**4. Animal husbandry method(s) pursuant to Article 4 (1) TierHaltKennzG**

- Indoor housing                       Indoor + space                       Indoor with fresh air
- Outdoor run / pasture                       Organic
- The owner of the animal husbandry establishment declares that the animal husbandry facility meets the requirements for the disclosed animal husbandry method pursuant to Article 4 (2) or (3) TierHaltKennzG. The declaration is attached to this annex.

**5. Site plan if there are several animal husbandry facilities**

Instructions for completing this form: According to Article 2 No. 1 TierHaltKennzG, "animal husbandry facilities" are buildings and premises (pens, stables, etc.), containers or other facilities intended to permanently accommodate animals, including pastures.

- To this annex I am attaching a site plan which records and shows the locations of the individual animal husbandry facilities as well as the animal husbandry methods disclosed in Section 4.

**6. Authority responsible for monitoring compliance with animal welfare regulations in the establishment**

## 7. Information about each animal husbandry facility

| Animal husbandry facility | Fully usable floor space (in m <sup>2</sup> ) | Number of animals kept | Animal husbandry method |
|---------------------------|---|------------------------|-------------------------|
|                           |   |                        |                         |
|                           |   |                        |                         |
|                           |   |                        |                         |
|                           |   |                        |                         |
|                           |   |                        |                         |
|                           |   |                        |                         |
|                           |   |                        |                         |

Instructions for completing this form: If you have more than seven animal husbandry facilities, please complete the annex again.

- I affirm that I am providing the Federal Office for Agriculture and Food with evidence to back up the information provided above, in particular with regard to compliance with the requirements for the animal husbandry method used in the individual animal husbandry facilities, in accordance with Article 22 (4) TierHaltKennzG (see Section 8).
- I affirm that the supplementary evidence reflects the current state of affairs and is not out of date. The evidence is written in German or English or comes with a certified translation into one of the two languages.

## 8. Evidence and authorisation

Notice: The application can only be finally processed when the site plan and all the evidence have been provided and the following declaration has been submitted.

- Suitable evidence pursuant to Article 22 (4) TierHaltKennzG to prove that the requirements for the animal husbandry method used have been met in the individual animal husbandry facilities (see Section 7) is attached to this annex.
- I am authorised to submit the relevant evidence required under Article 22 (4) TierHaltKennzG on behalf of the owner of the animal husbandry establishment. A corresponding letter of authority, including for the recording of data, is attached to this annex.

Annex "Identification number not assigned"

Please enter the date and your name here. A handwritten signature is not needed.
