

# Disclosure of animal husbandry facilities of a foreign establishment pursuant to Article 25 (1), (2) of the German Act on Animal Husbandry Labelling (TierHaltKennzG)

Federal Office for Agriculture  
and Food (BLE)  
Division 526  
Deichmanns Aue 29  
53179 Bonn, Germany

## 1. Data processing and data privacy

- I recognise that the Federal Office for Agriculture and Food is entitled, in accordance with Article 30 TierhaltKennzG, to collect, store and use the data provided in this disclosure and the supplementary evidence for the purposes specified in the aforementioned Article 30 TierhaltKennzG.
  
- I have taken note of the instructions on submitting the notification ([https://www.ble.de/DE/Themen/Ernaehrung-Lebensmittel/Tierhaltungskennzeichnung/Tierhaltungskennzeichnung\\_node.html;jsessionid=7D80991701E939B54365ACA9032866CA.internet961](https://www.ble.de/DE/Themen/Ernaehrung-Lebensmittel/Tierhaltungskennzeichnung/Tierhaltungskennzeichnung_node.html;jsessionid=7D80991701E939B54365ACA9032866CA.internet961)).

You can find information about data privacy at:  
[https://www.ble.de/DE/Service/Datenschutz/datenschutz\\_node.html](https://www.ble.de/DE/Service/Datenschutz/datenschutz_node.html)

## 2. Name and address of the animal husbandry establishment

Name of the animal husbandry establishment	
Country	
International address field	

### 3. Name and address of the animal husbandry establishment's owner

First name / Surname	
Country	
International address field	
Business email address*	

\*This is voluntary information. By providing an email address, you are giving your consent to being contacted by email. This consent may be withdrawn at any time. A withdrawal of consent has no effect on the lawfulness of the disclosure made until then and the documents submitted with the disclosure.

### 4. If available, the unique registration number assigned to the animal husbandry establishment pursuant to Art. 93 of Regulation (EU) 2016/429

---

### 5. Species of animal kept pursuant to Article 25 (1) in conjunction with Annex 2 TierHaltKennzG

Pig

### 6. Animal husbandry method(s) pursuant to Article 4 (1) TierHaltKennzG

Indoor housing

Indoor + space

Indoor with fresh air

Outdoor run / pasture

Organic

I declare that the animal husbandry facility meets the requirements for the disclosed animal husbandry method pursuant to Article 4 (2) or (3) TierHaltKennzG. The declaration is attached to the disclosure.

## 7. Site plan if there are several animal husbandry facilities

Instructions for completing this form: According to Article 2 No.1 TierHaltKennzG, “animal husbandry facilities” are buildings and premises (pens, stables, etc.), containers or other facilities intended to permanently accommodate animals, including pastures.

- To this disclosure I am attaching a site plan which records and shows the locations of the individual animal husbandry facilities as well as the animal husbandry methods disclosed in Section 5.

## 8. Authority responsible for monitoring compliance with animal welfare regulations in the establishment

--

## 9. Information about each animal husbandry facility

Animal husbandry facility	Fully usable floor space (in m <sup>2</sup> )	Number of animals kept	Animal husbandry method

Instructions for completing this form: If you have more than seven animal husbandry facilities, please complete the disclosure again.

- I affirm that I am providing the Federal Office for Agriculture and Food with evidence to back up the information provided above, in particular with regard to compliance with the requirements for the animal husbandry method used in the individual animal husbandry facilities, in accordance with Article 25 (4) TierHaltKennzG (see Section 9).
- I affirm that the supplementary evidence reflects the current state of affairs and is not out of date. The evidence is written in German or English or comes with a certified translation into one of the two languages.

## 10. Evidence and assurance

Notice: The disclosure can only be finally processed when the site plan and all the evidence have been provided and the following declaration has been submitted.

- Suitable evidence pursuant to Article 25 (4) TierHaltKennzG to prove that the requirements for the animal husbandry method used have been met in the individual animal husbandry facilities (see Section 8) is enclosed.
- I request, in accordance with Article 25 (3), that if a disclosed animal husbandry facility does not meet the requirements for the specified animal husbandry method or comparable requirements, the Federal Office for Agriculture and Food (BLE) may specify an identification number for a different animal husbandry method, provided that the animal husbandry facility meets the requirements for that animal husbandry method pursuant to Article 4 (2) or (3) TierHaltKennzG.

Yes

No\*

\* In this case, no identification number will be assigned. The animal husbandry method must not be provided when the animals are delivered to the food business operator in the subsequent stage of production or distribution.

Please enter the date and your name here. A handwritten signature is not needed.
